## How to make a START account

START V2 is an on-line tool for managing peer-reviewed conferences and workshops. It helps streamline all steps of the editorial process, including paper/abstract submission, committee formation, paper reviews, etc.

To create an account (to submit a paper to a conference, e.g. EuroPhras 2019) follow the three steps below. It should take less than a minute depending on how quickly you can type in your name and think of a password.

**1.** Clicking the link at the EuroPhras 2019 website will take you to this page. Click at the capitalized and hyper-linked HERE.
